## Herd in the halls... by K. Baab

Trickle, trickle, little plaster!"

As I write this, at a desk in the publications room of Ogden hall, pieces of plaster keep sliding down between the walls. It sounds as though ol' Ogden jest ain't agoin' to wait for the 50-51 legislative session! Apparently the only things that aid this hall in defying the laws of gravity are the scotch tape and thumb tacks overlooked by past decorations committees. Our thanks!

### Progressing Education . . .

Ever heard of **Pathfinder** news magazine? It's an enjoyable digest of current events, including a section on education findings. They tell of Hiram college in Hiram, Ohio, where something new and different is going on in the field of learning.

Believing that the student should study where his subject is related, their soc. science course Introduction to Western Culture, is touring Europe; members of a course on British writers sail to England for summer session and a dramatics group will play summer stock on showboats along the Ohio and Kansas Rivers for training, experience and dollars!

At this college a big, new plan in the philosophy of education is moving forward.

"At Hiram students study one subject for seven weeks, then go on to another. Instead of getting a smattering of several courses at a time, they divide the year into five concentrated seven-week periods. Thus the first seven weeks might be devoted to English, the second to science, third to a foreign language, fourth to social studies and a fifth to mathematics.

The plan, apparently successful, is one to watch with interest — and then some, because it's as modern as tomorrow.

### Hitchin' post . . .

James Miller and Calvin Ryder, both Trempealeau boys, got June ideas a few weeks ago and are now sporting nice, gold wedding rings.

### Double exposure . . .

Those identical-identical twins who added zest and good fun to campus activities have left school. We are speaking of Roy and Ray Rainey and we wish them bon voyage!

### A bit on the homely side . . .

The other day while A. Kimbo and I were engaged in scraping gum off the assembly seats, we got to contemplating life, in general and in particular. A. Kimbo says living is like eating pie: If the pie's too rich or you eat too much, pie loses its appeal. But, he says, if you select well and eat in moderate amounts and with consideration of the crust which should be enjoyed with the filling rather than tackled alone, you'll increase your capacity for pie. Such is life!

## Mendelssohn Singers Rehearse for Concert Tomorrow

Shown in rehearsal for the big concert tomorrow night are members of the Mendelssohn Club directed by Walter Grimm.

## Mendelssohn Club Marks 50 Years

This year marks the fiftieth anniversary of the Mendelssohn club, girls' chorus. Founded in 1900 by Caroline V. Smith, music supervisor at that time, this organization is the oldest at T. C.

Each year it presents the traditional spring concert which culminates the year's activity. Saturday in Somsen at 8:15, assisted by the college chorus, Mendelssohn will present its fiftieth annual spring concert.

Highlights of the program will be the songs of Handel and Strauss, Negro spirituals and folk songs by the Mendelssohn club and the college chorus. Soloists will be Elaine Sanden, Robert Melde, Violet Jensen and Marilyn Schwager.

Members of the Mendelssohn club are Marilyn Brekke, Grace Blohm, Nancy Buck, Beverly Buckman, Gayle Crandall, Mary Dean, Beverly Glaeser, Sylvia Guckenburg, Iris Heublein, Margaret Hillig, Violet Jensen, Donna Kindt, Sylvia Lanning, Doris Lewis, Ruth Lohrback, Delone Peterson, Mildred Marshall, Elaine Sanden, Marilyn Schwager, Rita Simon, Rose Simon, Alma Smith and Lois Smith.

The college chorus is comprised of Mendelssohn club plus Robert Ballard, Neil Blohm, Carl Christiansen, Robert Fenwick, Don Kvistad, Robert Melde, Jay Robinson, Neil Robinson, Claude Sumner, George Truwe and John Welty.

## Student Association Elects New Officers

Robert Crumb, New Richland junior, was elected president of the Student association for 1950-51 in the recent election. Besides majoring in art and minoring in speech, Bob is cheerleading captain, treasurer of both Kappa Pi and Wenonah Players, a member of Radio Guild and Kappa Delta Pi and vice-president of the junior class.

The office of vice-president for the association will be held by Kathryn Baab, a sophomore from Winona. Vice-president of her class for two years, Katie has served on the Representative Student council for six quarters. She is first page editor of the WINONAN and a member of the Science club.

Beverly Newell, Winona, will be secretary. A junior, Bev is in Kappa Delta Pi and Wenonah Players. She is majoring in kindergarten and primary education.

Robert Fenwick, a freshman from Lake City, has been elected treasurer. President of his class and a member of the Apollo club, and college chorus, Bob is also a WINONAN reporter.

## It's a Date!

April 29 Mendelssohn Club Spring Concert.  
May 5 "King of Kings" movie.  
May 5 G. I. Ball.  
May 12 Spring Prom.  
May 13-14 Civic Chorus.  
May 16 Senior Banquet.  
May 23-24 Len Martin Dance Recital.  
May 24-25 All-College Picnic: date indefinite.  
June 1-6 Finals.

## "The Glass Menagerie" Goes Over Successfully

The **Glass Menagerie**, the Wenonah Players spring production, was presented last night at 8:15 p.m. in Somsen auditorium.

Malcolm Mosing took the role of Tom Wingfield, a young poet; Laura, Tom's sister, was portrayed by Violet Jensen, while the role of Amanda, their mother, was taken by Sylvia Bremer. Jack Kirby completed the cast as Jim O'Connor, Laura's "gentleman caller."

Produced very successfully on the Broadway stage, **THE GLASS MENAGERIE** is a play of memory — the intriguing tale of a wandering seaman, and how he became a lonely man. The fascinating story, combined with unusual stage effect, makes this play by Tennessee Williams a gripping drama.

Committee chairmen were as follows: production manager, Rosalie Critchfield; stage manager, Donald Redlich; assistant stage manager, Neil Robinson; business manager, John Jupin; assistant business manager, Josephine Howland; tickets, Oscar Catlin; publicity manager, Rosalie Critchfield; posters, Robert Crumb; ushers, Joyce Jenney; properties, Mary Schmit; sound, Jay Robinson; costumes, Mary Ellen Christgau, and lights, Eddy Dornack.

The play was directed by Miss Dorothy B. Magnus, head of the speech department and director of the college theater. Jim Sorflaten served as assistant director.

## Graduates Will Hold Joint Banquet at Oaks

Seniors and graduating sophomores will hold their joint banquet Tuesday, May 16, at 6:30 p.m. at The Oaks.

The committee for the occasion includes Henry Karle, Fred Sandeen, and Vayden Anderson, general planning; John Kirby, Bill Erickson and Sylvia Lanning, class history; Marilyn Bublitz, Grace Blohm, and Ray Colwell, prophecy, and Bob Clausen, Jack Lake and Ed Glubka, transportation.

Wives or husbands of seniors and graduating sophomores, Dr. and Mrs. Raymond, Dr. Augusta Nelson and Miss Floretta Murray will be the guests.

## T.C. Students Asked To Donate Their Blood

As part of its national program, the American Red Cross has asked T. C. students to be blood donors. The purpose of the program is to build up a blood bank sufficiently adequate so that in future years blood will not have to be purchased when it is needed but will be available as a result of the generosity of the American people.

The dates for blood donation are May 8, 2 to 4 p.m. and May 9, 9 a.m. to 3 p.m. It will take place at the Masonic Temple. Donors are requested to secure blanks from Bill Erickson and have them filled out and returned to him by April 29.

A scene of impact taken at rehearsal of Williams' play "The Glass Menagerie" given last night in Somsen. Those taking part are: John Kirby, Mrs. Adolph Bremer, Jen Jensen and Malcolm Mosing.

## No Danger of Loss of Appropriation

In a letter to Representative J. R. Keller, Earl L. Berg, commissioner of the Minnesota department of administration, said that there is no apparent danger that T. C. will lose its appropriation for the new physical education building.

Mr. Berg pointed out that the construction money is in the Minnesota building fund which "does not carry a cancellation clause as is the usual procedure in the general revenue fund appropriations, and, unless a future legislature would pass a law rescinding the action of the 1949 legislature . . . the amount would continue to be available until the purpose for which it was intended was completed."

Consequently T. C. officials do not plan to push the construction of the building in 1950, according to Resident Director Frank A. Sheehan.

They plan to ask the 1951 legislature session (1) for the authority to demolish Ogden hall to make a site or, if that fails, or is "inadvisable," (2) for money to supplement the \$40,000 appropriated for the off-campus site.

## Placement Office Finds Jobs For Seventeen Grads

The progress of the placement service at T. C. is successful according to the announcement that seventeen graduates have already acquired positions.

Those placed in elementary education and their locations are: Grace Blohm, Rochester; Anita Stang, Waseca; Mrs. Chlorous Harwood, Richfield; Helen Garlich, Richfield; Mildred Marshall, Richfield; Betty Turnbull, West Concord; Connie Phillips, Good Thunder; Everett Mueller, Winona; Donis Pretzer, Plainview; Rose Mary Shields, Plainview, and Leone Jacksha, Blooming Prairie.

The secondary school placements are: Vernon Kroeger, Syracuse, Kansas; John Pendleton, Winona; Charles Dahl, Montgomery; Elaine Sanden, Harmony, and Enoch Bennett, Waldorf.

A total of 153 students will receive degrees in June. 105 will receive B.S. degrees, 12 B.A. and 36 associate of education certificates.

## EDITORIALS

## Can We Afford Margaret Webster?

At a recent student association meeting the issue of the three colleges supporting the Margaret Webster company came up. Although the Student Council had voted down the proposal, the assembly voted to re-investigate the possibilities of the colleges getting together. During the discussion the time-honored question of "where will the money come from?" came up. John Hennessy, member of the finance committee, stated that we would not be able to put up the required \$600 odd dollars.

I disagree. I also think that it is time that we consider more closely the manner in which the activity fund is being spent. At present there is no hard and fast pattern followed other than continuing the traditional pattern of past expenditures that sometimes miraculously fits into the limits of the fund. And quite often when a budget is submitted to the finance committee it is accompanied with pressure-lobbying by members of the activity concerned. It seems that there are certain groups which feel they might not receive their hallowed deservings.

I think that the fund ought to be divided on a percentage basis to insure all concerned of getting a fair allotment — a basis that will consistently be followed until needful changes are deemed necessary. For instance, allot a certain percentage to the four main types of activities such as athletics, clubs, school parties, and cultural activities. That way each group would specifically know the extent of its funds over the year.

The Margaret Webster company now presents a new possible expenditure. Where will the money come from? First, I would say that \$150 ought to be saved by eliminating the movies shown in the auditorium. I am referring to those pre-historic cinemas that few attend, fewer see, and no one can hear. Last year \$1,600 was spent by the social committee for various dances, parties, and other events. I think that budget could be cut down (this budget does not include proms or homecoming). The Winonan has been considering modifying and changing its present system which would result in saving money. Again I say that I think we can afford the Webster company.

## To Eat or Not To Eat

The hall chorus again has struck an old note about the yearly banquets held by the various extra-curricular activities. Sufficient comments have been heard to give the question a formal airing. Some students seem to believe that the banquets are not only unnecessary but an obligation upon members of clubs. They almost feel that they are obliged to go since it is one of the more highly publicized events in the year for a particular club. For this reason some attend, although they would prefer not to. Another negative comment is the expense involved. The money could go to a more profitable use. Last year a dollar per student was spent for the cost of the banquets. This dollar came out of the activity fund.

From the other side we feel the first point would be that the students rate a reward for the year's work on an activity and the banquet is it. Again, however, some feel that there are members in activities who do nothing all year and they are rewarded at the end of the year by a banquet for their achievement. But then again in what type of society can you escape from such individuals.

These points are certainly not all for the positive side. We would have to go to most students in order to get a complete cross section of opinion. However, we make no attempt to answer the question; we raise it. Do you think activity banquets are justified?

## WALTER HOHENSTEIN STUDENT OF THE MONTH

During the many years this paper has been published, it has sung the praises of an uncountable number of outstanding students; but, in our estimation none can surpass the achievements of Walter Hohenstein, our choice for student of the month.

Walt, a senior, is a native of Lake City, Minnesota. He attended Lake City High School where he was a member of the band, orchestra, and Glee Club. He was graduated in 1946, valedictorian of his class, and enrolled at W.S.T.C. the following fall.

His field of study consists of a Social Science major and a Psychology minor and in these he has maintained one of the highest scholastic records ever achieved in the history of the school. Besides this amazing fact, he is also one of the most active men in extra-curricular activities this school has ever seen. He is a member of the debate team, IRC, LSA, Gamma Delta, Radio Guild, and Commerce Club. He has been photographer of the annual, a member of the student council, and Young Republicans and is president of the senior class. During the past year he has been helping Mr. Becker with his social science classes and is affiliated with the Senior Republicans during the summer vacations.

Even with all this to keep him busy, our student of the month still finds time to maintain his hobbies of photography and stamp collecting. He also shyly admitted that he is an avid collector of all types of "junk" which he keeps scattered through the house.

His plans for the immediate future include continuation of his education at the University of Minnesota and then a position teaching college classes. He also stated that he would take an active part in politics if the opportunity arises.

We know that all of you will join us in wishing him the best of luck in his advance study and possible teaching career.

WALTER HOHENSTEIN

## This Could Happen to You

The boy settled down on his elbow, picked up the phone, and after the usual wait heard "Number, please?"

"Look, operator," he explained, "just give me any number in Parker. I'm looking for a date. Any number will do."

Always complying and never questioning, the operator did as he asked. The phone buzzed and soon a female voice helloed from the other end.

The lad explained his mission, how it had been accomplished and would she go out with him to a local movie?

The voice at Parker answered quickly, "I'm the housemother."

He hung up.

— "The Daily Reveille" (A.C.P.)

## IT'S SPRING, HEY!

Here I lie on the green grass watching the little robins pull up fat juicy worms. Little worms that stretch and stretch and a stretch in the middle, and then when they can't stretch anymore, they break — bingo, squish!! And how am I supposed to write a column with nothing more to inspire me than some worms and robins? Well, it won't be easy. But quick like a baby turtle I will start to write.

Oh Boy! There go Cherie Ludwitski and Anne Witte heading for the tennis courts. (I'm getting bright! All I needed for clues was to notice subjects attired in shorts, tennis racquet and balls in hand to deduce that they were heading for said courts.) The minute the sun pokes its head out people start hopping down the bunny trail — er, ah, I mean heading for the courts.

Ah yes, — Spring, the time when a young man's fancy turns to thoughts of baseball, doggone it. After all I've heard about what a wonderful team we've got, I'm eager to see the fellows perform, but as yet all I've seen is the Lunch Line Leaguers redoing their home runs at 11:55 a.m. My! What dash! What Spirit! What Speed! What Vigor! What food! (How did that get in here?)

Spring brings all kinds of activities besides tennis and baseball — from bicycle riding to golfing — flash! If you want to see Minnesota's newest Patty Berg, check Barb Stanger as a possible prospect. Seems she joined the golf squad (I was under the impression it was strictly for the male element, but I may be wrong) and are they delighted.

Some people like me go in for more energetic activities like sun bathing and robin stamping — ooh! I must stop this prattle — another worm just parted company at the middle.

## Sequel to Days &amp; Daze

## More Daze

Dear Janet.

The rustles of Spring have awakened my young and restless spirit. The first warm day I played tennis, golf, shot a few stray pedestrians, and rolled a peanut down Third street with my nose. I guess I kind of overdid it though, because I am now in bed with a lovely cold.

Stayed in bed all day and amused myself by throwing butcher knives at my sister's lower chin. She's very obliging that way.

Listened to the radio when her chin finally fell off. The announcer emphatically urged me to dash to the nearest store for some "Toothless toothpaste — especially recommended for cocker spaniels." Clad only in pajamas and bedroom slippers I put on my skis and skated to the nearest store. The clerk seemed rather shocked at my appearance. I guess not many people buy toothpaste in bedroom slippers.

I'm hoping to get rid of this cold soon, since I'm very anxious to return to classes. There's nothing I'd rather do than study in the Spring. Of course, it is rather uncomfortable, especially when it's covered by a mattress.

Life has been quite dull here. If it wasn't for my boyfriend, Redheart, I'd simply die of boredom. Redheart thinks of so many interesting things to do. Last week we counted all the bricks on Third street. Redheart got hit on the head by a car, but it didn't damage his sparkling personality and carefree walk a bit. He still trips along daintily on his elbows with his head tucked underneath his arm.

Guess I'll try and get a little sleep so I'll feel better tomorrow.

Hurry home so we can have a rousing game of badminton on the basement ceiling.

Love,  
Pat

## LETTERS TO THE EDITOR

Dear Editor:

A short while ago a copy of *The Winonan* arrived in the mail. I immediately determined to write a note to the editorial staff, and others associated with the publication of the paper to compliment them upon the excellent job they are doing with the paper. Frankly, the paper gets better year by year. Not only is the paper larger than it was when I roamed "Ye olde Somsen Halles", but the paper is taking an interest in items of more wide-spread interest . . .

How long will you remember? Some of my memory items from W.S.T.C. will never fade. You see, I was a product of the era at Winona when the ratio of men to women was even worse than it is now. At one

## Did You Know . . .

By Vince

## STOP LOOK READ

Maybe you are endangering your life where you are now working, or where you plan to work. Are you sure it is not a dangerous trade? The expression "dangerous trades" is especially applied to those trades in which some form of poison or disease is incidental to the trade itself. It is not generally used in reference to those trades in which sudden injury and death are caused by dangerous machinery or unguarded perils, but rather refers to those slower acting causes which, while not so sensational in their horrors, are even more frightful in their results.

American legislation has been much more unresponsive in safeguarding workers in these trades than that of England and Europe generally. The following is a classified list of those trades which have been considered dangerous in acts of the British Parliament:

1. Trades in which lead is a poisonous element.
2. Trades which produce other chemical poisons.
3. Trades in which anthrax or lockjaw is a common result.
4. Trades in which the danger arises from injurious particles in the air or from dust.
5. Trades in which sudden accidents are so frequent as to demand special legislation.
6. Processes which require a sudden change from great heat to cold and vice versa, such as lacquering, galvanizing iron, and the work carried on in furnaces and foundaries.
7. Processes that require artificial humidity, such as cotton spinning, weaving, flax spinning, and silk spinning.

This list shows a wide prevalence of trades in which special dangers exist, and calls for the utmost remedial precaution on the part of both the public and all workers immediately concerned.

time, I was one of the seven males attending W.S.T.C. You can imagine the memories. Long years from 1939-1944; so say the girls. Freddie Heyer, long side-burns and all, roamed the halls in those days. Dr. Minné busied himself only in his laboratory (except for an occasional excursion into trig.) Richard Petty was expounding his theories of student government. On and on goes the memory chain, but the above will be people you still know, I hope . . .

Best wishes for a successful journalistic year. Keep up the good work.

Sincerely,  
A. Conrad "Bill" Posz

## Can We Improve Our College Standing?

Do you want more course offerings? A larger student body would enable the college to offer more courses. With this in view, many students are accompanying faculty members on recruiting trips to area high schools. Although most of the trips are being made to schools near here, a faculty member is spending some time in Minneapolis high schools and a trip to Cloquet is planned.

In regard to the recruiting program, Dr. Raymond stated, "Many of us, who believe that fundamentally ours is a good school, are interested in increasing our enrollment because we see in it a possibility of broadening course offerings here, and providing more money without greater cost in the activity fund."

The presence of T. C. students at high school "Career Days" creates a great deal of interest in our school. Visits are followed up by sending quarterly bulletins and the Winonan to interested high school students.

## Plans Made For Alumni Banquet

The date for the annual alumni banquet has been set for Tuesday, June 6, in the Morey Hall dining room at 6:30 p.m. A meeting also will take place with the banquet. Miss Angelyn de Groot has expressed her desire to see a good turn out of graduating students. "I hope that more students will take an active interest in their school after having completed their formal schooling," she stated.

Mr. Paul J. Hardt, president of the Alumni society, has appointed the following committee to plan the dinner and program: Co-chairman, Mrs. L. Mariner, Misses Fern Ellison and Agnes Cook. Committee members, Miss Doris Mae Skow, Mrs. H. M. Bierce, and Miss Effie L. Bean.

Also appointed is the Committee on Election: Dr. R. B. Le May, Otto Bollman, and Mrs. A. F. Miller. (Ballot is printed with the Alumni list page 7.)

Miss Mabel Marvin has announced her resignation from the Alumni board. Dinner reservations are to be mailed to the Alumni Office, W.S.T.C.

## You are Now Tuned To Station KPRN

by Mary Ellen Christgau

A new radio station has recently been started in Winona. Station KPRN gives regularly scheduled broadcasts daily, 760 on your dial, that is if you live in Prentice Lodge. The programs do not carry outside Prentice's walk.

KPRN features news about local theaters, joke programs (complete with Spike Jones laugh records), record shows "Waxing Sweet," "Music As You Like It," and "Pop Concert" featuring the Boston Pop Orchestra, and two serials.

Hood-Busters is a detective serial sponsored by Hood-Busters Incorporated originated by Dwight Kinne with Leon Peters as assistant author. The Hood gang is a gang of desperados who roam about robbing peanut machines and leaving a path of desolation and peanut shells in their wake.

At 8 o'clock every Tuesday night all the radios in Prentice are again turned to 760 for the other serial "John Perch and his Wife Lurch" written, directed and acted by Harry Schoer and sponsored by Spucky Tikes cigarettes, "the cigarettes with that distinctive (cough, cough) flavor."

Lately Spucky Tikes have an amazing offer. Anyone who sends in 25 wax wrappers and 25 cents in coin will be sent a deluxe model bronze coffin. (He'll need it after smoking 25 packs of Spucky Tikes.)

The whole idea started with Leonard Behn's flea-powered transmitter. Station personnel includes an announcer, Leonard Behn, sports, Bob Clausen, control room engineer, Dwight Kinne; production manager, Leon Peters; and Harry Schaeen writes and acts.

## CLUB NOTES

### Panel Discussion Coming Up

A panel discussion by students will be featured at the next A.C.E.I. meeting May 1. Marilyn Brekke and Charlotte Sanden will tell of experiences in teaching and Wilma Lier and Maureen Fleener will speak on experiences in practice teaching. They will discuss what they expect to find in teaching next year. Marilyn Thompson will act as moderator.

### LSA Plans Picnic

The L.S.A. together with the La Crosse L.S.A. will hold a picnic at Perrot State Park Sunday. Students will meet at Shepard Hall Sunday at 2:00 p.m. From there cars will take them to the park. All members are encouraged to attend.

Members who attended the Regional Workshop at Duluth recently were: Dave Christenson, Dorothy Tukua, Howard Peterson, and Dorothy Bergsrud.

### Newman Club Meets

At a recent meeting of the Newman Club, Mary Schmidt, Mary Hemmelman, Jim Fishbaugh, and Jim LaChappelle were nominated as delegates to the coming national convention. At the next meeting, two of these will be elected to represent the Club at the National Convention which is to be held at Cleveland, Ohio, June 15-18.

On May 5, 6, and 7 several members of the Newman Club will attend the second Minnesota Regional Convention. Jim LaChappelle, who is the Regional Chairman will preside over the Convention.

### Sorflaten to Go to Europe

I.R.C. members who recently attended the National Convention at The University of Michigan at Ann Arbor, Michigan were Burton Jim Sorflaten and Lester Wagner. Jim Sorflaten was one of those attending who was chosen to make a Carnegie sponsored Student Study Tour in Europe this coming summer.

This was the third annual conference of the I.R.C. Clubs; consequently most of the conference time was taken up with organization and re-organization work, laying the foundation for a stronger federation of I.R.C.'s in the future. The next conference will be principally concerned with the discussion of topics of world interest, now that the organizational work has been dispensed with.

## WILL WE LOSE THE RHYTHM MASTERS?

One day back in 1947, Mr. Fred Heyer was asked to arrange some music for a large orchestra, several members of the band got together to play this music, and Dr. Minné heard of the group and asked it to play for the school. From this accidental beginning has grown the 20 piece band known as the Rhythm Masters.

The Rhythm Masters, in addition to giving concerts for the college, have played in several area high schools. The purpose of these concerts is two fold — to entertain high school students and to encourage prospective college students who are musically inclined to consider coming to T. C. Portions of the band play for social events here at the college.

Students who play in the band are benefited in several ways. They are given a chance to play with a large swing band. Many students are using the practical experience gained in playing with the rhythm band in playing with commercial orchestras. The students learn to play the type of music that is now in popular demand. Most of the members, however, also play with the regular college concert band.

The future of the organization is not certain. Mr. Heyer is leaving this year and several members of the band are graduating. If there is student interest in such a band next year, it is, however, likely to be continued.

The acquainted students  
depend on

# WARRIOR BATSMEN OPEN SEASON: WIN 2, LOSE 1

Winona 12, Wartburg 3

Scoring 12 runs on 9 hits, 7 walks, and 2 hit batsmen, the Warriors drubbed Wartburg College of Waverly, Iowa. "Rapid Robert" Stark started on the mound and received credit for the victory. He yielded to Ev Mueller in the fifth. Mueller gave only one hit and struck out the side in the 7th inning.

After the 3rd inning the game was well in Winona's hands and Coach Lyle Arns cleaned the bench by using 16 men in the game. John Barrett led in the hitting department by socking a single and a booming triple in five trips to the plate. Seven other players connected for base knocks.

The game had its dismal aspects as far as the Winona team went and this victory was costly. Stanley Prokopowicz suffered a broken finger on his throwing hand when he attempted to catch a foul pitch. Stan will be out until about the middle of May.

Winona 3, Luther 0

Al Kulig and Andy Swota teamed up with superb fielding behind them to spin a two hit shutout against the strong Luther College nine from Decorah, Iowa.

Dahl and Swota each collected 2 of the team's seven hits. Fox socked the only extra base blow of the game; a double in the 1st inning.

La Crosse 4, Winona 1

Two homeruns proved Winona's downfall in their first loss of the season. The temperature dropped to 40°, and T. C. hitting power froze up, too, as La Crosse Teachers nipped the Warriors 4 to 1.

"Pete" Polus was given the starting assignment on the mound for his first appearance in a Ped's uniform. Polus pitched good ball until he came up with a stiff arm in the 3rd inning. In this inning little Bobby Curry, La Crosse's speedy shortstop, drove a slow ball over the right field fence to score the singling Schuman before him.

Ev Mueller relieved Polus in the 4th inning and gave up 3 hits the rest of the way. One of these hits was a homerun by Knipel in the 5th inning with one on.

Benedict was the starting pitcher for La Crosse and after a wild 1st inning settled down to blank Winona the next 3 innings. Benedict is the property of the New York Yankees.

One bad break Winona had in the game occurred in the 8th inning, when the Warriors were rallying. After Stark and Swota walked, Barrett advanced them to 2nd and 3rd. Ev Mueller came to bat and drove a sizzling grounder to the left of the shortstop and the ball hit Andy Swota, who was attempting to advance to 3rd. Stark was waved back to 3rd base and Swota was out.

Sonny Dahl rapped out 3 solid singles in 4 trips to the plate to lead the Warriors in the batting department.

## Capt. Paul Buskey, Middlebury, '38 Air Intelligence, U.S. Air Force

An excellent student at Middlebury College, Vermont, Paul found time to win the coveted All Sports Trophy in his senior year. He graduated in June, 1938.

He then joined a coated paper mill firm as research and control man. Pearl Harbor changed all that—Paul went to Maxwell Field to begin Aviation Cadet training.

An outstanding Cadet, 2nd Lt. Paul Buskey was held over as an instructor after graduation. Then he was assigned as a pilot in the Air Transport Command.

His big plane education was topped with 23 missions over the far-famed "Hump," flying C-54 transports. After V-J Day, he stayed on in the Far East until March of 1948—specializing in Air Intelligence.

Back home, after accepting a Regular Air Force Commission, Captain Buskey went to Air Tactical school, was there rated an outstanding student, and won assignment to Command and Staff school.

Today, Captain Buskey is an Air Intelligence Officer on MATS Headquarters Staff at Andrews Air Force Base near Washington, D. C. He looks forward to a rewarding future in the U. S. Air Force.

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

Roschen

## Baseball Notes:

Contacts have been made with the University of Wisconsin and it looks as if Lyle Arn's boys will be meeting the Badgers at Gabrych Park Monday May 29th.

Wisconsin has not as yet answered a recent letter and it is not definite whether the game will be played under lights or in the afternoon. T. C. wants a night game.

The Badgers will be on their way back to Madison from Minneapolis. They will play the University of Minnesota the 26th and 27th.

## Bi-State Meets:

The weekend of May 12th and 13th will really see action around the Warrior homestead. The Bi-State Conference meets of both golf and track will be held here. Golf competition will take place Friday at the Country Club course.

Track and field events will start Saturday morning. Qualifiers will meet in the afternoon in the finals. It is expected that there will be a large crowd of spectators at the meet and here is a word for those who will be present.

"It is requested that you stay in the stands to watch the competition so that everyone may see and so there will be no hindrance on the field. The only persons who are to be on the field or track are participants and officials of the meet."

Winona T. C.'s baseball team ran into a tough opponent while on the southern trip into Illinois to play two ball games, one against Eastern Illinois Teachers and a single game against Chanute Field. This opponent was old man weather, who sent sheets of rain down flooding the diamonds and forcing the team to return home prematurely. All three games were cancelled.

## WARRIORS PRESS IOWA STATE TOUTED NINE, 6-4

Winona T. C. went into big time baseball and held their own for 11 innings against a strong Iowa State T. C. nine. Home runs proved to be the order of the day at Gabrych Park in Winona as five balls were polled over the fence, three of them by Winona.

Al Kulig started on the mound for the Warriors and fared well until he yielded a homerun to Lippert with a man on base in the 4th inning to put Iowa ahead. Winona came back with two consecutive homeruns by Dahl and Radtke. This left Iowa with a 4-3 lead.

The game continued without further scoring until the ninth. Dahl came to bat with two out and blasted the game into extra innings with a homer over the left-center field wall.

Andy Swota relieved Kulig in the 9th and handcuffed Iowa until the 11th when he gave up a single to Dahlke and an error on the play put him on third. Dutcher came to bat with two out and sent a long ball over the fence. Dahl made a beautiful try for the ball as it just cleared the fence. He missed the ball and crashed into the fence, injuring his left arm.

The Warriors tried to stage a rally in their half of the 11th but fell short in their attempt.

## FIVE LETTERMEN TO LEAD GOLF TEAM

Golf was added to the athletic program here in 1947 and is the most recent sport put on the program. In '47 the team achieved honors they have not attained since. John Moynihan paced the team as State Conference Medalist, while the team won the state crown. They also won the city title from St. Marys.

In '48 the team again won the city title but placed second in the State Conference. La Verne Scanlon and Gene Pellowski tied for medalist honors.

There are 17 men trying out for the squad this year. This includes 5 lettermen — John Moynihan, who lettered in 1947; Gene Pellowski, who lettered both in 1947 and 1948; La Verne Scanlon 1948 and captain 1949; Dick Elliot, lettered in 1947, and Marty Beyers, letterman in 1949. The new fellows trying out are Harold Jackson, Bob McWain, Bill Vanderwalker, Stan Vogen, Henry Karle, Ralph Kershaw, Bob Lawstuen, John Jupin, Ross Wood, Joe Borankiewicz, Louis Hainer, and Ed Olson.

The following is the golf schedule for the year.

April 22, a triangular with La Crosse and St. Marys here at Winona.

May 4, a meet with St. Marys, who holds the city title now.

May 10, at Mankato.

May 12, the Minnesota Wisconsin College Conference meet here at Winona at the country club.

May 15, at Stout.

May 17, at Eau Claire.

May 20, The Minnesota State College Conference tournament at Bemidji.

May 27, River Falls, here.

## BI STATE TRACK MEET TO BE AT WINONA

The Minnesota-Wisconsin College Conference Track meet will be held at Jefferson Field, here in Winona, May 13. It will be an all day affair with preliminaries beginning in the morning and continuing on to the finals in the afternoon.

Five teachers college teams will compete in the meet, Eau Claire, River Falls, Mankato, St. Cloud, and Winona. It will be a meet well-worth watching.

Last year it was held at St. Cloud. The Warriors took third place, while St. Cloud and Mankato took first and second places respectively.

Physical Education majors and minors will have charge of the meet. Mike Bambenek will be referee and starter and John Jupin has been selected as head scorer for the meet.

## Ped Thinclads Drop First Dual Track Meet at La Crosse

The Warrior cindermen lost their opening meet to La Crosse 79 to 52. The dual meet was held at La Crosse at the teachers' college field.

La Crosse won the meet with the points they collected for second and third places. Winona copped eight 1st places while the Indians had only 7. However, La Crosse had 11 2nd places and 11 thirds to the three 2nds and three 3rds of Winona.

The winners for Winona were Larry Boardman in the high and low hurdles, Jack Strommer, another double winner, in the mile and two mile. John Anderson won the high jump and took third in the broad jump, Marty Beyers in the shot put, Rube Kreiger in the discus and Bob Clausen in the broad jump. Other placers for the Warriors were: Dave Todd, who was second in the 220 yd. dash and third in the 100 yd. dash; Joe Lynch, who lost a close race in the 440 yd. dash, placing second; and Fred Bauer and Don Kvistad who came in second and third respectively in the 880 yd. run.

Larry La Borde and Ned Hodgson paced the La Crosse team in their win. La Borde won the javelin throw, placed third in both the high and low hurdles and tied for third in the high jump. Hodgson took honors in the 220 yd. dash, was second in the high jump and was a member of the winning relay team.

LaCrosse swept all three places in both the javelin and pole vaults. The javelin is not an event run in Minnesota meets and Winona has no men experienced in throwing the shaft. Andy Swota, number one pole vaulter on Coach Brodhagen's team, was not entered in the meet. He was playing with the baseball squad at Luther that day.

Winona went against the strong La Crosse team last Saturday at Luther in a triangular meet.

## Summary

100-yard dash: Won by Blandin (L); second, Mannebach (L); third, Todd (W). Time :10.8.

440 yard dash: Won by Spalholz (L); second, Lynch (W); third, Kaniess (L). Time :52.9.

220 yard dash: Won by Hodgson (L); second, Todd (W); third, Bock (L). Time :23.9.

880-yard dash: Won by Strand (L); second, Bauer (W); third, Kvistad (W). Time 2:06.7.

Mile run: Won by Strommer (W); second, Felton (L); third, Plumb (L). Time 4:57.

Two Mile run: Won by Strommer (W); second, Tesnow (L); third, Bjorn (L). Time 10:55.3.

880-yard relay: Won by La Crosse (Bock, Hodgson, Spalholz, Blandin). Time 1:35.7.

High hurdles: Won by Boardman (W); second, Miller (L); third, La Borde (L). Time :17.0.

Low hurdles: Won by Boardman (W); second, Mannebach (L); third, La Borde (L). Time :27.7.

## Sports SPOTLIGHT

by Jack Drugan

Because he has been one of the most consistent players on W.S. T.C.'s baseball squad, "Old Reliable" would be a very good name to give to this month's Sports Spotlight candidate. He is a type of ballplayer who plays so "steady" that very few people notice him and, perhaps some off-campus fans don't even know him. His name is Phil Dubois, and he plays a very capable 3rd base for Coach Arns' Nine.

Last fall, Phil suffered a very severe sprain of his left ankle while playing football in the early part of the season, and was warned by the medics to quit football for the year or suffer a more serious injury. His loss to the team was a serious blow from which the team never recovered. When W.S.T.C. played St. Cloud for the Southern State Teachers College championship in 1949, Phil proved that he is dependable "in the clutch" by hitting a single in the Eighth Inning with the bases loaded to win the game. St. Cloud had won the first game, so this was the deciding game of the Southern Conference Championship.

Shot Put: Won by Beyer (W); second, Barry (L); third, Navis (L). Distance 39 ft., 10 1/2 ins.

Discus: Won by Krueger (W); second, Boyce (L); third, Marincel (L). Distance 119 ft. 9 ins.

Javelin: Won by La Borde (L); second, Loomis (L); third, Leighton (L). Distance 156 ft.

High jump: Won by Anderson (W); second, Hodgson (L); third, tie, Wilsman and La Borde (L). Height 5 ft. 10 ins.

Broad jump: Won by Clausen (W); second, Blandin (L); third, Anderson (W). Distance 20 ft. 8 ins.

Pole vault: Tie for first. Thrall, Kime, Wilsman, (all La Crosse)

Height 10 ft. 6 ins.

BALLOT

TO BE USED ONLY BY ACTIVE MEMBERS OF ALUMNI SOCIETY OF WINONA STATE TEACHERS COLLEGE

Please write in the names of your candidates. Choose from the list of active members printed in this issue of the Winonan. Cut out and mail to the Alumni Office, Teachers College, Winona, Minnesota; or cast your ballot at the annual dinner meeting, Tuesday, June 6, 1950.

President.....

Vice-President.....

Director.....

Director.....

I HEREBY APPOINT AS MY PROXY AT THE ANNUAL MEETING OF THE ALUMNI SOCIETY.

Miss Zora Sweazey and Miss Mildred Bartsch are the only directors whose terms expire in 1950. Present officers are Paul J. Hardt, president; W. Kenneth Nissen, vice-president; Angelyn de Groot, secretary-treasurer; Daisy Brown, Mabel Marvin, Gerald Ostrom, Mrs. A. F. Miller, Mildred Bartsch, and Zora Sweazey, directors.

# Photo Story OF MAIN EVENTS THROUGH THE YEAR

Rod Lingenfelter connects on a shot. Bob Albrecht (9), and John Anderson are other Warriors seen in background.

Preparing decorations for one of the biggest homecoming dances, and the first one off-campus, are Joe Tandeski and Mary Ellen Christgau.

A Warrior gridder drags a St. Mary's back, as Winona defended its city championship against the Redmen.

Tantalizingly surrounded by a maze of feminine pulchritude is the famed originator of the Six C.C.'s now the 20 C.C.'s. Eddy Barrows has put himself in a position where he can get a first hand opinion of the homecoming queen candidates.

Showing her souvenirs to members of her art class after her return from Europe is Miss Floretta Murray. She spent three months touring Europe combining pleasure with study. Here Rose Mary Shields and Mary Hemmelman are admiring some of the things she has brought back.

Though comparatively young, W.S.T.C.'s debate team has proved itself already experienced, despite its three years existence. Responsible for its success are David Christenson, Harold Essmann, Roger Challberg and Gloria Gynild, here preparing one of their debates.
